LOVE FOR MEXICO

Starting the year with

#LoveForMexico

2024 marks the beginning of a new year full of opportunities to make a difference. For us, this year not only represents the passage of time, but also the opportunity to bring help and hope to hard-to-reach communities in Mexico.

The Free Medical Care Days range from general consultations, dental consultations, diagnostic studies, pharmacy and health promotion workshops.

Thanks to your donations we have been able to bring hope and medical care to those who need it most in the communities of Mexico. We invite you to continue being part of this #LoveForMéxico.
