DECEMBER 2024

#LOVE FOR
MEXICO

We close 2024 with #LoveForMexico

During 2024, our Mobile Medical Units carried out Free Medical Care Days to hard-to-reach communities, offering quality health services. These sessions included general consultations, dental care, diagnostic studies, delivery of medications and health promotion workshops.

Your support has been essential for our medical units to continue operating, reaching remote populations and providing critical medical care.

Looking ahead to 2025, we reaffirm our commitment to continue improving and expanding our humanitarian work in the communities that need it most. We understand that there are always opportunities to innovate and advance, so this new year will be key to strengthening our initiatives and expanding our impact.
