Together for health: Join our mission of change

At UBGA, we are delighted to share with you our monthly newsletter. Here you will be able to learn more about the stories and achievements during our Free Medical Care Days in the most vulnerable communities in Mexico during the month of June.

Thanks to the valuable support of our volunteers, donors, sponsors and collaborators, we have brought medical care to thousands of people who would not otherwise have access to it. However, there is still much to do, and we need your collaboration to continue creating meaningful change.

We invite you to join us in this noble mission. Every donation, no matter how small, makes a difference in the lives of those who need it most. Your generosity allows us to expand our reach and provide hope to those who need it most.
