AUGUST 2025

Health Promoter Day: a pillar of our mission

At Un Buen Grupo de Amigos, we recognize and celebrate Health Promoter Day, a date dedicated to those who, with commitment and dedication, work every day to bring medical services, preventive education, and community support to those who need it most. Their work is essential to building healthier and more equitable environments, especially in communities where access to care is limited.

For UBGA, health promoters are indispensable allies in our Free Medical Care Days and in the various prevention and care programs we carry out in different regions of the country. Today we want to express our deep gratitude for their commitment, dedication, and effort, which make it possible to transform the lives of thousands of people and strengthen the right to health as a common good.

During August

We remain steadfast in our commitment to provide medical care to the most underserved communities through our Free Medical Care Days. This month, thanks to our dedication and collective effort, we achieved the following:

- 6 locations in 1 municipality in the state of Campeche
- 2 locations in 1 municipality in the state of Guerrero
- 5 locations in 1 municipality in the state of Morelos
- 13 locations in 2 municipalities in the state of Chiapas
- 18 locations in 2 municipalities in the state of Veracruz
- 18 locations in 5 municipalities in the state of Puebla
- 38 locations in 11 municipalities in the state of Tabasco
